OPAL

Learning Through Play!

It has been wonderful to see the children making the most of our new OPAL play equipment! The children have been thoroughly enjoying and exploring the new activity wall and fitness rig, challenging themselves and discovering new ways to play.

Through their play, we have seen some fantastic examples of resilience, developing gross motor skills, teamwork and sharing. It has been lovely to watch the children supporting one another, trying new challenges, working together and, most importantly, having lots of fun!

A huge well done to Deal and Arundel, with a whopping 51 tokens, for winning this week's Golden Welly Award! Keep up the fantastic play, everyone!

IN CLASS

To support their history learning and writing this term, Year 1 enjoyed a fantastic experience day exploring toys from the past. The children were excited to play with some of Miss Bates' own childhood toys, including a Game Boy and Sega, which amazingly still work today! They had great fun comparing old toys with the toys they play with now, asking questions and sharing their observations. The day provided lots of inspiration and real-life experiences to help bring their learning to life and prepare them for their upcoming writing and history activities.

SPORTS

It's been a busy and successful time for our sports teams, with lots of fantastic effort, teamwork and enthusiasm on display!

SPORTSHALL ATHLETICS - YEARS 3 & 4

SPORTSHALL ATHLETICS - YEARS 5 & 6

YEAR 3 & 4 FOOTBALL - 3V3

Our Year 3, 4, 5 and 6 children have been busy representing the school at recent sporting events. At Ursuline College, our Sportshall Athletics teams competed in a range of track and field events, with Years 3/4 achieving 6th place and Years 5/6 finishing an impressive 5th place overall. Our Year 3 and 4 children also took part in a boys' and girls' 3v3 football tournament, showing fantastic teamwork and determination, scoring plenty of goals and, most importantly, having lots of fun! Well done to everyone who took part and represented our school so brilliantly.

Well done to all our sporting stars:

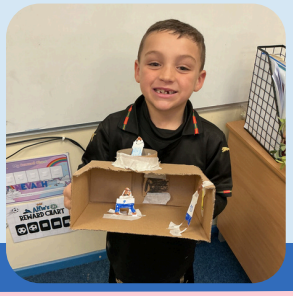
IN CLASS

In PSHE, Year 3 have been exploring the importance of self-respect and recognising all the wonderful things that make each of us unique and special.
To celebrate this, the children created their very own 'What Makes Me Great' museums! They showed fantastic creativity, choosing a variety of imaginative ways to showcase their strengths, talents and interests.



AFTERSCHOOL CLUB

From January 2027, our after school club will finish at 4.15pm each day due to lower attendance numbers. The 4.15pm session will remain available to book, but will no longer be refundable.

For families requiring later collection, we will offer an extended session until 5.30pm on Mondays, Tuesdays, Wednesdays and Thursdays.

Please note:

- The cost is £5 per session
- No option to book on the day
- Non-refundable
- Extended sessions must be booked and paid for in advance for the full term.

PARKING NOTICE

We kindly ask all parents and carers to be mindful when parking in the surrounding areas during drop-off and collection times. Please avoid parking on corners, in restricted parking areas, designated disabled bays or blocking the entrance to our car park.

Your consideration helps keep the roads clear, ensures good visibility and, most importantly, helps us keep our children safe.
