

| 2022-2023 | Term 1 | Term 2 | Term 3 | Term 4 | Term 5 | Term 6 |
|-----------|--|---|---|---|---|--|
| Concept | Adventure | Rights | Leadership | Environment | Conflict | Adaptation |
| Year 1 | Everyday Materials | Everyday Materials | Working Scientifically | Plants | Animals including Humans | Seasonal change and weather |
| | What is an adventure? | What are rights? | What makes a hero? | Why do we need trees? | Will a hare always win a race against a tortoise? | Do dinosaurs still exist? |
| Year 2 | Everyday Materials | Rocks and states of matter | Animals including Humans | Living things and their habitats | Plants | Working Scientifically |
| | What do we see on adventures? | Do we need to explore? (Food and hygiene_ | What makes a good leader? | What makes a good place to live? | How do you grow a better world? | Where can you see change? |
| Year 3 | Light | Plants | Working Scientifically | Rocks | Forces and magnets | Animals including Humans |
| | How do we know about adventures from the past? (Stone Age) | Is it fair to eat bananas all year round? (food) | Where do leaders come from? (Democracy) | Does the world stand still? (Rocks) | Can we change without conflict? (Heroes & Villains) | Is it better to adapt or stay the same? (Predators & Prey) |
| Year 4 | States of Matter | Electricity | Animals including Humans | Living things and their Habitats | Investigations | Sound |
| | Can an adventure change us? (Alice in Wonderland) | Whose rights are important? (Roman) | Are you born to Lead? (Lion King) | Why do rainforests matter? (rainforest) | Should we always do as we are told? (Vikings) | How has the world changed Thanet? (Broadstairs) |
| Year 5 | Earth and Space | Forces and Motion | Let's Investigate | Living things and their habitats | Animals including Humans Puberty | Materials and their properties |
| | What adventures lie beyond Earth? (Space) | How does war affect people's rights? (WW1) | Would you follow the Jabberwocky? | Can we dig up the past? (Egyptians) | Does power create conflict? (Tudors) | How does disease change the world? (Black death) |
| Year 6 | Animals including Humans | Scientific enquiry-inventions that change the World? | Light | Living things and their habitats | Electricity | Evolution and inheritance |
| | What happened when the Titanic sank? (Titanic) | Can one voice change the World? (Maafa) | Who should you follow? (Victorians) | Can the planet survive without bees? (Rainforests/ deforestation) | Does conflict change how we communicate? (WW2) | How did the tortoise get its shell? (Benin Civilisation) |

13th 14th October - BLACK HISTORY MONTH

Forensics- Year 5????

24th 25th November

Electricity

9th 10th February

A Biology theme to connect to Valentines Day- Year 3??

16th 17th March - BRITISH SCIENCE WEEK

Biology - Biodiversity/Climate- Year 4 and Year 6??

18th 19th May

A topic covering general practical science skills-

29th 30th June

TBC
