

Our Big Question for this term is:
“Where do adventures begin?”

Year 5 had an out-of-this-world experience when they were visited by the Astrodome as part of their Science lessons on Earth and Space. Inside the 7-meter-wide dome, the children embarked on a virtual rocket journey, exploring the planets and the materials that make up our galaxy.

They discovered fascinating facts about space as they "travelled" from planet to planet. After safely landing back on Earth, each pupil received a certificate to commemorate their stellar adventure!

sports news

Well done to all involved in last Friday's football festival. Bromstone had 2 teams, playing 4 games each in total. Lots of good football on show from both teams.

At the Years 5 and 6 Netball Festival, the team played 5 games, playing really well altogether. They scored many goals and showed the Bromstone values.
