

Our Big Question for this term is:

**“Where do adventures begin?”**

## School Council

We are excited to introduce our newly elected School Council members, chosen by their classmates to represent their voices and ideas. Each child spoke passionately about their goals and aspirations for our school community, emphasising their desire to make a positive impact. During their first meeting, the council members shared their thoughts on what matters most to them, focusing on helping others. They have decided to support local charities once again, including a food bank, and are eager to organise litter-picking walks to improve our neighbourhood. We look forward to seeing their initiatives come to life this year!

Yesterday, Year 6 visited Discovery Planet in Ramsgate, where they collaborated with scientists from the University of Kent. They participated in various activities focused on optics and light. The children were both engaged and enthusiastic as they tackled challenges using lasers to explore how to bend light, examined the formation of shadows based on distance and size, and experimented with light manipulation through reflection. It was a fantastic experience for everyone involved!

## NO PARKING

This week we have had several cars parking in the Bradstow Court car park, or using the entrance to the school as a turning/drop off point. Please be reminded that this must not be happening to ensure that children and families are not at risk at what is already a very busy time. Thank you for your cooperation with this matter.

## Get Involved

On Saturday 5<sup>th</sup> October, the annual Thanet Schools' Cross Country event is being held at Quex Park. Races start at 10am for Year 3, 10:40am for Year 4, 11:20am for Year 5 and 12:00pm for Year 6.

If you would like to take part, or would like more information, children can get an entry form from Mr Bedford or Miss Hulks.
