

Our Big Question for this term is:
“Why do rights exist?”

The Year 5 children had an out-of-this-world experience at Discovery Planet in Ramsgate during their 'Meteorite Mashup!' session. They got hands-on with real meteorite fragments, examining them under microscopes, before taking on a thrilling challenge to design and build a protective outer layer for a satellite. After carefully budgeting and constructing their designs, the satellites were tested with an air gun - and many of the creations held up brilliantly! Looks like we might have some future space engineers in the making!

Christmas preparations are well underway. Children have begun rehearsals for Christmas plays and there has been some great festive singing making its way into our weekly singing assemblies. Please see the attached poster for more information about how we will be celebrating all things Christmas at Bromstone this year!

Now the weather has got colder, and more rain is forecast, this is a reminder to send the children in with suitable outdoor clothing. We are **outside at lunchtime whatever the weather!**

Our school choir are performing at Westwood Cross on Mon 9th Dec at 1:30pm. They would love for family members to support them and enjoy the Christmas performance.

Congratulations to our Year 3 and 4 football team who represented Bromstone at a recent football tournament. They won 3 out of their 4 games and showed great teamwork. Dominik was also named 'Star Player'. Great job everyone!

We are on the lookout for any spare or unused decorating paintbrushes, children's plastic spades, mini rakes, trowels or forks that you may have available. These items will help them create investigation stations in our school grounds. We are also looking for spare child friendly magazines. Please could you send any donations of these items into school.
