

Our Big Question for this term is:
"Why follow when you can lead?"

Happy New Year to all our families!

We hope you had a restful and enjoyable Christmas break, and we're excited to welcome you back for what promises to be another fantastic term at school.

This term, our Big Question is, 'Why lead when you can follow?'. To launch this question, we had our Head Boy and Head Girl take charge for the day, putting their leadership skills into action. They made the important decision of changing the school menu for the day, treating everyone to tasty tacos followed by delicious doughnuts for dessert! They also planned exciting activities, delivered two assemblies, carried out learning walks across the school, hosted a maths game competition, and asked the children to write letters to gather suggestions on how they could continue to lead and support the school community throughout the year. To wrap up the day, the children watched films exploring leadership and the qualities that make a great leader.

We're looking forward to sharing more of the exciting learning and activities that will take place throughout this term. Here's to a fantastic start to Term 3!
