

## Opal Play Detectives - Term 3

On the small world playground enjoyed using their imagination through role play

The children enjoyed playing with trains and cars. Using different textures to see how the vehicles moved.

Together the children played games, taking turns, making a tower out of Jenga blocks. Whilst some children looked on relaxing on the deck chairs.

Using crates, tyres, rope and tarpaulin the children made a den using creative play.

Being creative with chairs, wheels and crates the children showed creative, imaginative play to make a car.

The pots and pans were very busy in Outdoor life with lots of baking. On the menu were mud Pies, Chocolate brownies, cakes and mud soup.
