

Our Big Question for this term is:
“What makes our environment special?”

A big thank you to everyone who contributed cakes for Red Nose Day last week – we raised an amazing £282.50 for Comic Relief!

In reference to the parking notice in last week's newsletter about Yew Tree Close, we continue to see unsafe and unacceptable parking on the school site. Mrs Moon and Mrs Ribbans work hard to manage this situation, but some parents are still parking in the cross-hatched areas, on the kerb, and/or in front of the parking signs. Please do not park in these areas, as it is both dangerous and unacceptable. Many of our children have complex needs, and we understand that this can sometimes make parking challenging for parents. However, we must insist that parking is done safely. We kindly ask all parents to follow the parking guidelines for the safety of everyone.

We are looking for a variety of items such as:

- Toys (dolls, cars, dinosaurs and animals) soft cuddly toys
- Metal Pots, pans, trays and utensils
- Bread, milk, bottle and food crates
- Guttering, pipes, tubes
- Buckets, spades, watering cans
- Brooms
- Planks of wood
- Outdoor paint brighter the better (varied colours)
- Foam pipe covers, pool noodles
- Jugs, funnels
- Pegs (preferably garden type, large pegs or wooden pegs)
- Tarpaulin
- Slides
- Blankets, sheets
- Ropes, string, wool
- Plastic plant pots
- Scooters, suitcases
- Gymnastic play equipment
- Plastic chairs
- Gardening equipment, wellies all sizes
- Waterproof clothing all sizes
- Musical instruments (drums, keyboards, shakers etc)
- Astro off cuts, carpet tiles

If you have any of these items at home and no longer need them, please consider donating them to support our play sessions. Thank you for helping us create amazing play opportunities!

Class Curriculum & Key Information Pages

We'd like to remind parents about the Class Curriculum & Key Information Pages on our website, which provide helpful learning updates and important details about what's happening in each class. These pages are a great resource for staying up to date with your child's learning. To access the pages, please click on the following link: [Class Pages](#) or scan the QR code.
