

Our Big Question for this term is:
“Is it better to adapt or stay the same?”

This week, children explored the theme *‘Identity – What Makes Me, Me?’* through a range of creative activities. They made amazing identity boxes, joined an artist workshop, created forest school art, and took part in a whole-school art conga! We also had lots of brilliant self-portrait competition entries – well done to everyone who took part!

Last Saturday, children from four TELT schools came together for a fantastic Fun Run held at Garlinge Primary School. The event was open to pupils in Years R, 1 and 2, and the atmosphere was full of excitement, encouragement and community spirit.

It was a non-competitive event, all in the name of fun and participation – and every child who took part was awarded a well-deserved medal. A big well done to all our young runners and a huge thank you to everyone who helped make the event such a success!
