

Our Big Question for this term is:
“Where do adventures begin?”

Space Week – Next Week!

Next week we will be celebrating Space Week in school. To mark the occasion, we would love the children to get creative at home by making their very own space project to share in our special assembly on Friday.

This could be:

- A model of the solar system, a planet, or something else from space
- A fact file about space
- Some exciting space research
- Or any other creative idea!

We can't wait to see the children's amazing creations and celebrate their hard work together.

Next Friday, 10th October, is World Mental Health Day. This is an important opportunity for children to discuss what mental health means and how we can take care of our own mental well-being. Both Key Stage 1 and Key Stage 2 will complete some activities focused on this vital topic, fostering understanding and promoting positive mental health practices. To help celebrate the day, we invite all children to wear something yellow alongside their normal school uniform; whether it's a top, jumper, hair accessory, scarf, socks, or shoes. Let's come together to raise awareness and show our support for mental health!

they are not alone
with their mental
health.**

TEACHERS'
— DAY —
★ ★ October 5th ★ ★

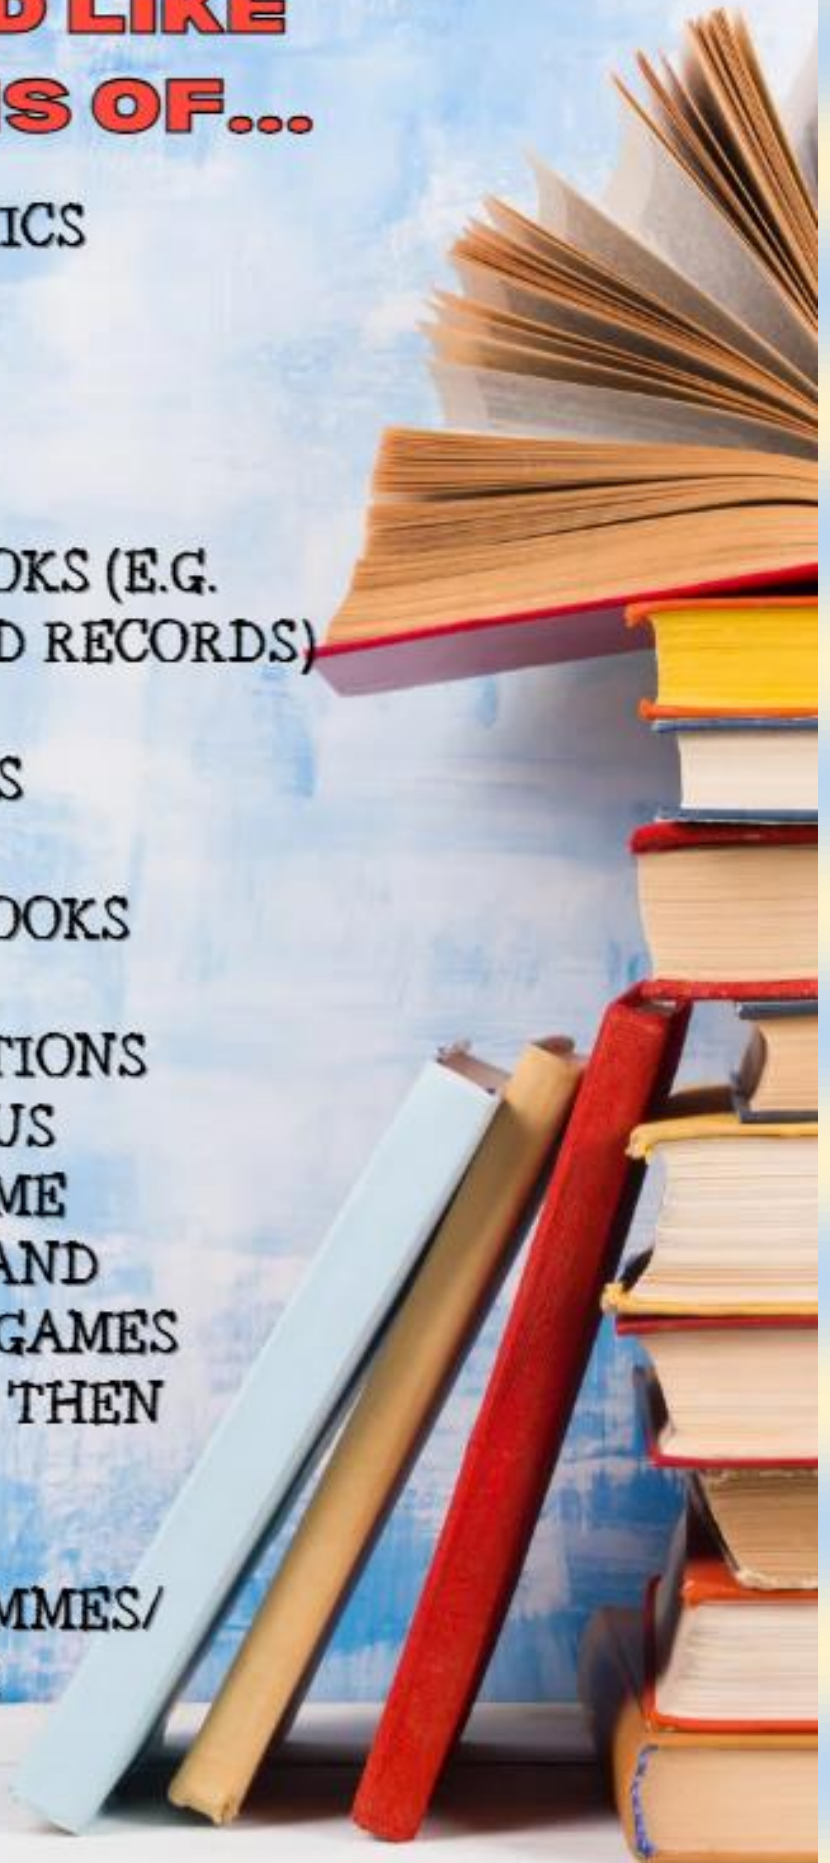

On 5th October, we join the world in celebrating UNESCO's World Teachers' Day, a special day dedicated to recognising the incredible impact of teachers everywhere. At Bromstone Primary, we are incredibly fortunate to have an amazing team of enthusiastic and passionate teachers who go above and beyond every single day to make learning a joyful and enriching experience for our children. Their dedication transforms education and helps shape the future. Let's take a moment to say a huge "Thank You" to all our Bromstone teachers – you truly are remarkable!

A cluster of overlapping circles in various colors (blue, orange, pink, green, purple, yellow) of different sizes, creating a vibrant, bubbly background for the text.
