

Our Big Question for this term is:  
**“Why do rights exist?”**

**Bromstone joins the e-Waste Warriors Project!**

We're excited to share that Bromstone Primary has been chosen to take part in the e-Waste Warriors Project, delivered by Kent County Council and funded by the Electrical Recycling Innovation Fund. The aim is to reduce electrical waste and help the environment by encouraging us all to recycle or repair unwanted electrical items.

From Monday 17<sup>th</sup> November to Friday 12<sup>th</sup> December 2025, you can bring in any small electricals (smaller than a microwave) — working or broken — and place them in the pink recycling or repair bins at school (please read the signs carefully). No vapes or batteries, please!

Repaired or reusable items will be donated to local charities, and everything else will be recycled safely. Keep an eye out for the pink bins and Hypnocat posters around school — and let's see how much we can recycle together!

We're delighted to introduce our new Science Ambassadors: Ralphie, Freya, Eddie, Autumn, Maia and Ella.

These pupils will help to promote a love of science across the school and support with special projects and events throughout the year.

We continue to receive complaints about parking around the school. Please do not use the school entrance as a drop-off area or turning point, and ensure you do not park on or block the driveways of local residents.

Your cooperation helps keep our children safe and maintains positive relationships with our neighbours.  
 Thank you for your support.

**ANTI-BULLYING WEEK 2025**

**POWER FOR GOOD**  
#ANTIBULLYINGWEEK

Monday 10<sup>th</sup> to Friday 14<sup>th</sup> November

**ODD SOCKS DAY 2025**  
Monday 10<sup>th</sup> November

#OddSocksDay #PowerForGood

Next week is Anti-Bullying Week: this year's theme is Power for Good. To kick things off, we'll celebrate Odd Socks Day on Monday 10<sup>th</sup> November, where both children and adults are encouraged to wear odd socks to celebrate what makes us all unique. Throughout the week, children will also take part in various activities aimed at promoting kindness, respect, and understanding.

Next Friday, 14<sup>th</sup> November, we will be supporting Children in Need. To recognise this event, we invite all children to wear something spotty alongside their school uniform. This could be a pair of spotty socks, a hairband, t-shirt, scarf, or even a bit of face paint! As we are already asking for Christmas Fair donations on this day, we are not expecting any additional donations for this event — unless, of course, you would like to contribute. Thank you for your continued support!

While some of our Year 6 children were off on their exciting PGL adventure, the rest of the year group had an absolute blast at school! They tried their hand at mini golf, created their own delicious pizzas, got creative in a fabulous art workshop, enjoyed sports, watched movies, and much more. What a fun-filled week!

Meanwhile, the other Year 6 children have been away at PGL Windmill Hill in Sussex. They've been having an amazing time, trying lots of new activities, working together as a team, and making memories they won't forget!
