NHS Is My Child Too Ill for School? **NHS**

It's not always easy to decide whether to keep your child off school when they're unwell.

Government guidance helps schools and nurseries manage illness and infection — outlining when children should stay at home and when they can still attend. You can find full details here on the GOV.UK website:
<https://www.nhs.uk/live-well/is-my-child-too-ill-for-school/>

If your child is too unwell to attend, please call the school on the first day to let us know and explain the reason for their absence.

If your child is well enough to be in school but has something that could spread easily (like a cold sore or head lice), please let their teacher know so we can take appropriate precautions.

Together, we can help keep everyone in our school community healthy and learning!

SPORTS NEWS

Last Saturday, some of our fantastic Year 3 and 4 pupils took part in the Sports Hall Athletics competition. They showed brilliant skills, determination and resilience throughout the events – we are all very proud of them!

Our school football team also continued their impressive run in the Les Riggs Cup. After making it through to the next round, they narrowly missed out on progressing further following a very tight and exciting match, which sadly ended in a 6–5 defeat for Bromstone. The team played with great spirit and teamwork from start to finish.

We have also enjoyed a Sports Leadership workshop this week. Pupils took part in a range of problem-solving challenges, demonstrating excellent leadership, cooperation and communication skills. Our newly appointed Sports Leaders will now take on a variety of important roles during OPAL playtime in the new year.

Well done to all our young athletes and leaders – Bromstone is proud of you!
