

Our Big Question for this term is:
“Why lead when you can follow?”

Happy New Year from Everyone at Bromstone!

We hope all our families had a restful and joyful Christmas break. We're excited to welcome you back for what promises to be another fantastic term at school!

This term, our **Big Question** is: *“Why lead when you can follow?”* To kick things off, our **Head Boy and Head Girl** took the reins for the day, putting their leadership skills into action. They made some important decisions, including changing the school menu to pizza with cookie dough for dessert, planned fun activities, and even delivered assembly!

During the day, pupils explored leadership in lots of creative ways:

- **Creative Compass:** Head Boy and Head Girl gathered pupil ideas and thoughts on leadership.
- **Games and Challenges:** Children designed and made their own leadership-themed games, inspired by historical leaders, scientists, sports figures, and school leaders.
- **Film Time:** The day finished with films showcasing different examples of leadership, sparking discussion and inspiration.

We're looking forward to sharing more of the exciting learning and activities planned for this term. Here's to a fantastic start to **Term 3!**

attendance
MATTERS

As part of government guidance and our school attendance policy, we are sending home pupil attendance reports later today via email.

We have high expectations for attendance because being in school regularly is really important for your child's learning and wellbeing. We also understand that sometimes circumstances can affect attendance, and occasionally this may mean it falls below 90%.

If you have any questions about your child's attendance or the report you receive, please don't hesitate to get in touch – we're always happy to discuss and support you.
