

Our Big Question for this term is:
“Why lead when you can follow?”

WICKED

Choir & Musical Theatre Clubs

The children who attend our School Choir and Musical Theatre Club had a wonderful time this week when they took part in the Wicked Worldwide Singalong. This exciting global event brought schools together to celebrate musical theatre by singing songs from the much-loved show Wicked.

Bikeability – Year 6

Year 6 families have been sent an email containing a link to register your child for Bikeability training.

The training will take place between 24th–27th March, with each child receiving 1.5 days of Level 2 training. There are 24 places available, which will be allocated on a first come, first served basis. Children will be taught in small groups of up to 8.

The cost is £10 per child. All children must bring a roadworthy bicycle and a cycle helmet.

We are delighted to be supporting the NSPCC by taking part in their Number Day fundraising event on Friday 6th February 2026. Throughout the day, the whole school will have a maths focus with lots of fun and exciting activities planned!

On this day, we are asking children to dress up in a number-themed costume or as a ‘rock star’, as KS2 will be taking part in times tables battles throughout the day.

Number-themed costumes can be anything from:

- The face of a dice
- A Numberblocks character
- A football kit

...and anything else creative you can think of!

Number
Day 2026

We kindly ask you bring a donation of £1 (or what you can) to support the NSPCC. Please send the donation with your child on the day.

Let's make Number Day a fun and memorable maths-filled day for everyone.

FOR THE
CHILDREN...
