

Our Big Question for this term is:
"What Makes Our Environment Special?"

Art competition results are in...

We would like to say a big well done and thank you to all the children who took part in our recent art competition. The theme of Environment really inspired some fantastic creativity, and we were so impressed by the range of entries across the school. Every year group produced some brilliant artwork, making it very difficult to choose winners. The judges were amazed by the creativity and effort shown—well done to everyone who took part!

Our Year 6 children have also recently completed the Bikeability programme. We are very proud of them, as we received such positive feedback from the instructors about their behaviour and attitude. The children showed great focus, resilience and respect throughout. Bikeability is a great opportunity to learn important life skills, and Year 6 embraced it brilliantly.

Our iRock stars blew us away with their concert this week! Musical superstars in the making, and you saw them here first!

Friday				

As we approach the end of this term, we must draw your attention to several important matters. The school day commences at 8:45am, with the school gates opening from 8:35am to 8:45am.

We would like to politely remind all families of the importance of ensuring that children arrive within this designated time window. Punctual arrival allows children to begin their day positively and ensures they do not miss any crucial learning opportunities. We recognise that mornings can present challenges for families, and we remain committed to supporting you in facilitating a smooth and timely start for your child. Should you wish to discuss any difficulties you may be experiencing, or if your child is unavoidably late, please do not hesitate to contact the school office.

Please could children bring in empty, small plastic bottles for our upcoming Science Fair and give them to either Richborough or Canterbury class.

To round off Year 4's rainforest learning this term, they enjoyed a visit from Wildwood, who brought along some animals to help explore human impact on the rainforest and how we can help protect it. The session included interactive demonstrations, giving the children a hands-on way to learn about wildlife and conservation.

RAMSGATE FC

EASTER HAF PROGRAMME

ACTIVITIES

FOOTBALL, MULTI-SPORTS, ARTS & CRAFTS, BOUNCY CASTLES, COOKERY and much more...

eVOUCHERS
LIVE NOW

FAMILY ACTIVITIES AT SANDWICH BAY BIRD OBSERVATORY THIS EASTER

Scan Me!

BRILLIANT BIRDS & BRICKS: OYSTERCATCHERS

Join us for an avian adventure! Explore the birds of the Bay on a guided nature walk to learn about their lives and how we can protect them. Then, get creative and build your very own LEGO® Oystercatcher to take home. It's a hoot for the whole family.

10am-1pm Tues 7th April & 1pm-4pm Tue 14th April £12 per child

EGG-CELLENT EXPLORERS: SEARCH, SOLVE & SHELL-EBRATE

This high-energy scavenger quest invites young naturalists to dive into the unique ecosystem of the Sandwich Bay Bird Observatory. Equipped with their explorer spirits, participants will solve nature-themed riddles along the trail and observe our vibrant wildlife, before crossing the finish line for a well-earned chocolatey "shell-ebration"

10am-1pm Wednesday 8th & 15th April £6 per child

WETLAND WILDLIFE DETECTIVES

Dive into a world of underwater wonder with our hands-on wetland safari! Our ponds are bursting with hidden life, from "scuba-diving" beetles to snorkelling insects and slime-eating snails. In this session, children become real wildlife detectives, using identification keys to uncover the secrets of our aquatic amigos and exploring the fascinating world of herpetology. With spring in full bloom, it's the perfect time to spot breeding amphibians and reptiles emerging from their winter slumber.

10am-1pm Thursday 16th April £6 per child
