

Our Big Question for this term is:
“What happens when there is conflict?”

To celebrate Sir David Attenborough's 100th birthday, the children took part in a special assembly where they learned all about his remarkable work and contribution to wildlife conservation and the natural world. The children explored how his documentaries have inspired generations to care for our planet and understand the importance of protecting animals and their habitats. It was a wonderful opportunity to celebrate his achievements and reflect on how we can all help look after the world around us.

Thank you to Thanet Earth for their recent donation, supporting our on-going OPAL play development.

sports news

We are delighted to announce that Bromstone has been awarded the Palmer Fair Play Award in recognition of an exceptional year in sport. Across all sporting fixtures, our pupils consistently demonstrated outstanding teamwork, respect, and sportsmanship both on and off the field. This fantastic achievement reflects the dedication, positive attitude, and integrity shown by every child who represented the school. We are incredibly proud of the way our pupils compete with fairness and kindness, making this award a wonderful celebration of Bromstone's commitment to fair play and positive competition.

Dates for your diary...

17th June – Reception
18th June – Years 1, 2 and 3
19th June – Years 4, 5 and 6

All children will be participating in the morning for the above dates.

Some children in Years 1 – 6 may also be taking part in competitive events in the afternoons. You will be informed about this closer to the time.

Tickets go on sale after school next week...
