Weekly Newsletter

Week ending Friday 9th September 2022

“Welcome back everyone!”

We are delighted to welcome you back to Bromstone for the new academic year... all of our children have started this week including the new Year R children who have attended a morning or afternoon session this week. All of the children have been smiling and enjoying their learning this week which has been amazing!

This week some of our children in year 6 have taken the Kent Test, they managed this with great effort and resilience. Year 6 parents will be receiving information for their transition to secondary schools next year so please look out for this.

Mrs Ribbans, our new Head of School has now started at Bromstone and has been busy getting to know the children across the school. Mrs Ribbans has been at the corner-gate this week and will be swapping over next week to the pirate-ship gate to ensure she can meet year 3,4 and 5 parents.

We are extremely happy to have employed a Family Liaison Officer for Bromstone, Mrs Sturges. Mrs Sturges has written some information about her role which is attached to this newsletter.

In next week's newsletter there will be a link included to our website that will take you to the correct page of the website for you to find out about your child's curriculum for this term.

In light of the sad news of Her Majesty The Queen's passing, we will be asking the children in their classes how they would like to remember the Queen and celebrate her long and successful reign of the United Kingdom.

Hello, my name is Nichola Sturges and I am the Family Liaison Officer (FLO) at Bromstone Primary School.

I am a contact for families who feel they need some support. My role is to provide pastoral help and guidance to parents and carers, this includes help with any issues that you may have in relation to supporting your children, both at home and in school. I can also help by signposting to agencies, where appropriate and can create a support action plan for your children in school. I work impartially and confidentially and provide a 'listening ear' if advice or support is ever needed.

Any query, no matter how large or small you think it is, I am here to help.

My aim is to support and empower you as parents and to promote involvement in your children's learning.

As the FLO I can help in various situations that life can throw at us, such as:

- Parental Separation
- Breakdown in Family Relationships
- Attendance
- Involvement from Social Services
- Domestic Violence
- Challenging Behaviour

I can also offer help with

- Informal Counselling
- Assistance with forms, letters or making appointments with agencies
- General Advice and Support
- Attending Organised Workshops

I am available for informal chats at the gate or you can make an appointment, please feel free to come up and say hello.

Finally, as a mum myself I understand how special your children are and it is my intention to build strong relationships with you so that every child is happy, thriving and fulfilling their potential.
