

Our Big Question for this term is:

“Is it better to adapt or stay the same?”

This week, we were invited to attend an Eco Ambassador Event at Thanet Wanderers. The children worked with Kent Wildlife trust recognising the importance to support endangered animals and the importance to protect their natural habitats.

The children cooperated fantastically and were praised on their knowledge that they showed looking after the environment and how to support climate change.

Don't forget...  
Parents' evening next week!

**MARLOWE  
THEATRE**

On Monday 22nd June, our Shakespeare Club travelled to The Marlowe Theatre to perform *King Lear: I Was Everything*.

The children were fantastic and demonstrated the hard work, dedication and enthusiasm they had shown throughout the rehearsal process. We were incredibly proud to watch them take to the stage with such confidence and professionalism.

The performance was a wonderful experience for everyone involved, and the children represented the school brilliantly. Congratulations to all of the performers for their outstanding achievement.
