We would like to remind all parents and carers to park considerately and legally when dropping off and collecting children from school.

Unfortunately, we continue to receive regular reports and photographs showing vehicles parked in disabled bays without a valid Blue Badge, parked between the clearly marked "No Parking" cones and blocking residents' driveways on Rumfields Road.

Please be aware that these actions are not only illegal but can also create significant safety risks for our children, families and local residents. Obstructed visibility and restricted access can make the area particularly dangerous at our busiest times of the day.

We ask all members of our school community to show courtesy and respect to our neighbours by ensuring driveways remain clear and parking regulations are followed at all times.

Thank you for your support in helping to keep our children safe and maintaining positive relationships with our local community.
