Griffin class, in Windsor, have been learning how to mix primary colours to make secondary colours.

They created their own colour wheels and used good artistic vocabulary.

The children have thoroughly enjoyed another successful RE Week! We started the week with a special assembly led by Joy from ACTS (Active Christianity in Thanet Schools), who introduced the children to Christianity and explored some of the beliefs held by Christians. Year 5 also enjoyed a visit to St Peter's Church, where they took part in a range of engaging activities with Rev Matt and some members of the community.

Each year group focused on their key question:

- Year 1: Who is a Christian and what do they believe?
- Year 2: Who is a Jew and what do they believe?
- Year 3: What do different people believe about God?
- Year 4: Why is Jesus inspiring to some people?
- Year 5: If God is everywhere, why go to a place of worship?
- Year 6: Is it better to express yourself in arts and architecture or in charity and generosity?

All of the children have been thoroughly engaged with their learning and have enjoyed showcasing their learning through our Creative Compass sessions. It has been wonderful to see their enthusiasm, curiosity and creativity throughout the week!

Well done to our boys' football team, who represented Bromstone brilliantly in the John Curran Cup Finals. The team won one match, drew one and narrowly lost two games, securing an excellent 3rd place finish overall. The boys showed great teamwork, determination and sportsmanship throughout the competition and should be very proud of their achievements.

A huge well done also goes to our girls' football team, who competed in the DW Cup Finals this week. The girls played three matches, competed exceptionally well and finished in 4th place. Their enthusiasm, resilience and positive attitude were evident throughout the tournament, and they represented the school superbly. We are incredibly proud of both teams for their commitment, effort and excellent behaviour.

Year 5 have been showcasing their storytelling talents by bringing their space-themed narratives to life in front of the green screen! Building on the short film One Small Step by Taiko Studios, the children worked hard to refine their vocal delivery, focusing on clear intonation and dynamic expression. It was fantastic to see their confidence grow as they performed their continued adventures. Keep an eye on the Year 5 class page, where these videos will be available to watch soon!
