

Bromstone Primary School

Super Learners

Reading Champions

Arundel: Dominik's effort with his home reading has continued to be exceptional.

Pevensey: George S tried really hard with his reading comprehension and got a great score!

Hastings: Alfie for always engaging well in our VIPERS sessions and working hard to develop his inference skills.

Bodiam: Terry for lots of brilliant reading at home and showing a love of books.

Hever: Harriette for coming back from phonics with lots of dojos. She is reading well and always hands in her reading record.

Tonbridge: Caiden for great participation throughout our reading sessions, constantly finding ways to predict what will happen next in our story with Harry and his crazy arm.

Lewes: Elodie for being able to explain why the author chose to describe the wolves kidnapping sheep as picking apples in our guided reading lesson.

Richborough: Alfie for being a committed reader every week and always remembering his reading record.

Arundel: Ralph's improvement in effort and engagement this week has been nothing short of phenomenal. Long may it continue!

Pevensey: Esme-Mae is a very helpful member of our class and shows the school values all the time.

Hastings: Phoebe for being an all-round wonderful member of Hastings class and being a role model to her peers.

Bodiam: Thomas is always ready to learn and always gives his best effort no matter the task.

Hever: Shivan for turning things around and showing an increased confidence with his learning as he is proving to be a positive role model to others.

Tonbridge: Riley didn't hesitate to show him kindness and compassion, showing Leo the ropes of how are school works and where to go at different times.

Lewes: Joshua H for always demonstrating super learning behaviour in class.

Richborough: Freddie F for always being amazing and working hard 100% of the time.

Rochester: Logan for great focus all week.

Leeds: Rosie for having a fantastic week across all areas of her learning.

Canterbury: Lokii for showing enjoyment in all areas of his learning.

Dover: Robyn for enjoying all her learning and joining in.

Writers of the week

Arundel: Rory included some superb examples of Year 6 writing skills this week, most notably use of passive voice.

Pevensey: Oscar is trying really hard in our sentence stacking lessons, and producing some good written work.

Hastings: Regan for excellent focus and engagement in our writing sessions and trying his best to up level his writing.

Bodiam: Harrison T for some super sentences in our transmission writing.

Hever: Ivy-Rose for really listening to advice and caring about her work.

Tonbridge: Annabelle continues to always excel in her writing, whenever I come up with a sentence, you best believe that Annabelle has come up with a better one, always putting the flare in her writing.

Lewes: Poppy-Fleur for adding super sentences and deepening the moment in our class story, "The True Story of the Three Little Pigs."

Richborough: Zainab for beautiful handwriting, fantastic vocabulary and consistently stretching herself and deepening the moment.

Rochester: Zoya for taking pride in her work and always showing excellent presentation.

Leeds: Logan for working hard in phonics this week.

Canterbury: Arabella for writing a sentence and remembering to use the correct sounds needed to form her sentence.

Dover: Amara for writing a great sentence about Norman.

Math-magicians

Arundel: Alfie has worked very hard to improve his formal multiplication skills this week.

Pevensey: Bluebelle has been showing great resilience with long multiplication and using resources well to support her learning.

Hastings: Travis for working hard to challenge himself in maths and develop his reasoning skills.

Bodiam: Alfie W for showing continued perseverance and enthusiasm with all of his maths tasks.

Hever: Paighton and Akira for listening well during pre-teach sessions and becoming more confident with rounding numbers.

Tonbridge: Throughout this week's maths lessons, **James** has shown excellent behaviour for learning, always working hard, motivated to get his next sheet completed.

Lewes: Zakaria for always challenging himself with extra maths being a super mathematician.

Richborough: Brody for completing his "addition to 100" questions totally independently and getting them all correct!

Rochester: Ada for excellent explanation of her thinking.

Leeds: Rosalee for super arithmetic work on subtraction.

Canterbury: Hugo for showing and understanding the vocabulary greater than, less than and equals to.

Dover: Ronnie J for finding 5 within 6,7,8 and 9.

Introducing
our new
Head Girl &
Head Boy...

Habiba
&
Kian

Year 2 Get Creative!

This week in English, Year 2 have been learning all about instructions. They put their learning into practice by making their very own bird feeders, carefully following a simple set of instructions. A fantastic way to bring their learning to life while helping our feathered friends! Well done, Year 2!

Year 1 Maths Fun!

Year 1 have loved learning about greater than, less than and equal to in maths this week! They have been busy ordering numbers from smallest to greatest and finding one more and one less.

The children have worked so hard and are becoming more confident using their new maths vocabulary. We are so proud of their enthusiasm and hard work!

**British Heart
Foundation**

This Sunday, Mr Chambers will be taking on the Royal Parks Half Marathon to raise money for the British Heart Foundation. If you're able to, please consider sponsoring him and supporting this amazing charity. Every donation makes a difference!

Let's all be thinking of Mr Chambers on Sunday, cheering him on and wishing him the very best of luck as he takes on this fantastic challenge.

<https://www.justgiving.com/page/warren-chambers-7>

What a fantastic effort from our Year 2 boys!

They played 6 games, winning 5 and losing just 1! They scored an incredible 21 goals and conceded only 6.

An amazing achievement and a brilliant team effort. You should all be so proud of yourselves.

6th January - 1.30pm

Call **01843 867010**, or
visit **www.bromstoneschool.com**

Is my child too ill for school?

Does your child have a high temperature (38°C or more)?

YES Keep them off school until it goes away.

NO Follow the guidance below.

Your child can usually go to school with a mild cough or cold if they are otherwise well. If you do keep your child at home, it's important to phone the school or nursery on the first day and give them the reason.

Should go in	Should go in (let the school know)	Seek treatment before returning to school	Keep them off (at first)
A cough, cold or sore throat Fine with slight cough or common cold symptoms, such as a runny nose, sore throat or headache, as long as they're otherwise well and do not have a high temperature.	Cold sores Encourage them not to touch the blister or kiss anyone while they have the cold sore, or to share things like cups and towels.	Impetigo They'll need treatment from a pharmacist or GP, often with antibiotics. Keep them off school until all the sores have crusted over and healed, or for 48 hours after they start antibiotic treatment. Encourage your child to wash their hands regularly and not to share things like towels and cups with other children at school.	Ear infection If your child has an ear infection and a high temperature or severe earache, keep them off school until they're feeling better or their high temperature goes away.
Threadworms Speak to your pharmacist, who can recommend a treatment.	Conjunctivitis Fine unless they are feeling very unwell. Seek advice from your pharmacist. Encourage your child not to rub their eyes and to wash their hands regularly.	Ringworm See your pharmacist unless it's on their scalp, in which case you should see a GP. It's fine for your child to go to school once they have started treatment.	Measles They'll need to see a GP. Call the GP surgery before you go in, as measles can spread to others easily. Keep your child off school for at least 4 days from when the rash first appears. They should also avoid close contact with babies and anyone who is pregnant or has a weakened immune system.
	Head lice & nits You can treat head lice and nits without seeing a GP.	Scarlet fever They'll need treatment with antibiotics from a GP. Otherwise they'll be infectious for 2 to 3 weeks. Your child can go back to school 24 hours after starting antibiotics.	Vomiting & diarrhoea Stay away from school until they have not been sick or had diarrhoea due to illness for at least 2 days (48 hours).
	Hand, foot & mouth disease If they seem well enough to go to school, there's no need to keep them off. Encourage your child to throw away any used tissues straight away and to wash their hands regularly.	Chickenpox Keep them off school until all the spots have crusted over. This is usually about 5 days after the spots first appeared.	
	Slapped cheek syndrome Once the rash appears, they're no longer infectious. Let the school or teacher know if you think your child has slapped cheek syndrome.		

Feeling worried or anxious: It's normal for any of us to feel worried sometimes. We may get a tummy ache or headache, or have problems eating or sleeping. Avoiding school can sometimes make a child's worries about going to school worse. If your child is struggling, please speak to school as soon as possible to explore available help. If your child is still struggling and it's affecting their everyday life, you should contact GP or school nurse.

To find out more, search www.NHS.uk for the specific illness or infection, or 'Is my child too ill for school?'

As we get ready for our Christmas Fair, we'd be so grateful for your support with our donation days. Each week we'll be collecting different items to help make the event a great success!

9th October – Gift for a child

16th October – Bottles for the tombola

23rd October – Gift for an adult

6th November – Smellies or small gifts

From 30th November – Cakes

★ Thank you for your generosity and for helping us make this year's Christmas Fair magical for everyone! ★

The Importance of Executive Functioning when moving from Primary to Secondary School

We often think about...

How our children will cope with the academic change to secondary school – and that's so important!

But are they ready for the organisation side of things too?

What is executive functioning?

Executive functioning is the set of skills that help us plan, organise, remember, manage our emotions and get things done.

It's like the brain's "control centre" for everyday life!

Key skills include:

Organisation

Keeping track of things and managing our time.

Working Memory

Holding information in our mind while we work.

Planning & Prioritising

Thinking ahead and knowing what to do first.

Self-Control

Managing our emotions and behaviour.

Flexibility

Adapting when things change.

Task Initiation

Getting started and staying on track.

How you can support this at home

1 Build routines and use visual reminders

Create simple routines (e.g. morning checklist, evening preparation) and use **visual prompts** like a timetable, checklist or labelled items (e.g. "PE kit", "Homework", "Diary").

Small steps build big confidence!

Little routines now can make a big difference later!

2 Practise using a planner or school diary

Help your child get familiar with a school diary or planner. Practise looking at their timetable, writing down homework and checking what they need to take to school.

For more information, see this link:

[How to Build Executive Functioning Skills for Kids - Child Mind Institute](#)

If you have any more questions please catch me at the gate or email me.

Mrs Hollinsworth, SENCO

Be kind ♥ Work hard ♥ Achieve together
