

Each week, we hold our Key Stage Celebration Assemblies, where we recognise children who have gone above and beyond in different areas of school life. Whether it is demonstrating our school values, making exceptional progress, showing kindness to others or producing outstanding work, these assemblies give us the opportunity to celebrate the many achievements of our pupils.

We know how important it is to share these special moments with families, so each week we will include our award winners in the newsletter. We hope you will join us in celebrating the wonderful achievements of our amazing children and the many ways they make us proud every day.

We would like to remind all parents and carers to park considerately and legally when dropping off and collecting children from school.

Unfortunately, we continue to receive regular reports and photographs showing vehicles parked in disabled bays without a valid Blue Badge, parked between the clearly marked "No Parking" cones and blocking residents' driveways on Rumfields Road.

Please be aware that these actions are not only illegal but can also create significant safety risks for our children, families and local residents. Obstructed visibility and restricted access can make the area particularly dangerous at our busiest times of the day.

We ask all members of our school community to show courtesy and respect to our neighbours by ensuring driveways remain clear and parking regulations are followed at all times.

Thank you for your support in helping to keep our children safe and maintaining positive relationships with our local community.

FIRE and Rescue

Kent Fire and Rescue Service has launched a brand new YouTube Kids mini-series, 'Be Safe with Us'. We know children love watching their favourite programmes and videos, so we've created something that's both fun and educational!

Our short videos are designed to help teach children important safety skills including understanding fire engines, what to do in an emergency, and the importance of smoke alarms.

They're a great way for the family to learn together about staying safe at home. We hope you enjoy them! You can watch the videos here: <https://www.kent.fire-uk.org/besafewithus>
