Week Ending: 19th May, 2023

This has been a wonderful week of trips for the children at Bromstone. Year 5 visited Hever Castle on Tuesday to deepen their knowledge and experience some context around their topic of The Tudors. The children had the most wonderful time and the children have been telling us about the history of the castle and the beautiful paintings inside.

Year R went to Wingham Wildlife Park yesterday. They all had a wonderful time learning about all of the different animals. The children were an absolute credit to themselves and to Bromstone. Well done everyone in Year R!

Royal Shakespeare Company

Our budding actors and actresses from year 5 have visited their performance site at Gunpowder Works in Faversham today. These talented Bromstone students are working with The Royal Shakespeare Company and are getting ready for their big performance in June!

Thanet Riding Disabled Centre

Thanet Disabled Riding Centre - The People's Project

As I'm sure lots of families know we have a longstanding relationship with the Thanet Disabled Riding Centre. Children from Bromstone visit the centre on a regular basis and have done so for many years. This Centre is a charity that provides horse riding and therapy sessions to our local disabled community. Last Thursday it was announced that the Thanet Disabled Riding Centre has been shortlisted for The People's Project's funding which is £63,000 of funding to help with the project's essential running costs. If successful the funding would go towards the centre's running costs, costing around £150 a day to run the centre. The money would also hopefully allow them to

expand services by allowing the purchase of another pony to join the team!

In able to gain this funding the Centre need votes from the general public and lots of them! Voting is now open until the 12pm on the 26th of May. Please, please can we support this wonderful local charity.

Children can vote too but require parental permission.

Please see the attached letter for more details.
