

Is it better to adapt or stay the same?

Home Learning Ideas

1. Design a new animal and explain how it has adapted to its habitat
2. Write about a time you have adapted to overcome a challenge
3. Make an information poster about an animal of your choice
4. Create some art that represents 'adaption'
5. Is adaption a strength or a weakness?
6. Write a story or poem about a person or animal that adapts to a challenge
7. Research a time in history where people have had to adapt to a big change
8. Write some helpful advice for someone who is struggling to deal with changes
