

## Is it better to adapt or stay the same?

### Home Learning Ideas KS1

1. Design a new animal and explain how it has adapted to its habitat.
2. Draw a 'before and now' poster of how something has changed for you; maybe your bedroom has changed, or your garden, or maybe you've moved to a new home, or have a new pet.
3. Make an information poster about an animal of your choice.
4. After the summer holidays, new children will be coming to Reception at Bromstone, can you write a list of things they can look forward to at school?
5. Plant a sunflower or something you would like to grow, record how it grows and changes over time.
6. Write an acrostic poem based on the word CHANGE.
7. Draw the phases of the moon over a month to see how it changes.
8. Read or watch the story [Worry Box](#) by Suzanne Chiew. Can you make your own Worry Box about worries you might have about changing year group?
