Sports Days have begun and what a lovely first Sports Day our Year R classes have had. The children paraded around the field in their house coloured t-shirts, waving their hand-made pom poms getting ready for action. They visited every station giving their best efforts with speed bouncing, hurdling, running, kicking and hockey dribbling! The children were celebrated by their parents, grandparents and other family members with a huge turn-out of support and the children delighted in showing their families how talented they all are. The weather was glorious and the children were ready for their drink and biscuit at the end of the event. Thank you to everyone that came to cheer them on and well done to Miss Denny and Mr Bedford for putting on such a great event!

Year 4 children have visited Crampton Tower this week to further their knowledge of Broadstairs as a holiday destination. They have been writing a holiday brochure this term and are taking in the sights of Broadstairs as real-life experiences to help with learning.

Year 2 were not so lucky with the weather on Tuesday and endured the heavy downpour of rain before having to come back to school in the mini-buses. Mr Turner has re-arranged the trip for Tuesday the 11<sup>th</sup> July so the children can enjoy the beach with their friends and adults in better weather before the end of the year.

### Week Ending: 23rd June, 2023

In the morning times specified above, the year groups will be going around the field in their classes, taking part in all of the activities. In the afternoon, selected children will compete in various athletic events to earn medals and win points for their house team. These children have been selected based on their performance in PE lessons. (These children have already been informed)

We will operate a normal lunchtime for the children which means parents will leave the school site after the morning's events. You are very welcome to return to watch your child compete in the afternoon if they have been selected to do so.

Parents will be asked to follow the children around on the outside of the field during the morning's events. For the afternoon events, the children will be sitting at one end of the field and parents will be at the other end. On the morning of Sports Day, as you arrive, you will receive information about where your child will be starting on the field. You will be able to enter the Pyson's Road gate at 9.45am on the 29<sup>th</sup> and 30<sup>th</sup>. In the afternoon of the 29<sup>th</sup> and 30<sup>th</sup> we will be opening the gate at 1pm.

Please be aware that Sports Day is a normal school day and the children are expected to stay in school for the whole day whether or not they are competing in the afternoon events. If they are not competing, they will be watching and supporting their fellow teammates. Hopefully, it will be sunny so please apply suntan lotion before school and provide a water bottle.

All children are expected to wear their house colour t-shirt. Years 1-6 will be reminded of their house team and colour by their teachers.

Thank you for your co-operation, we look forward to seeing you!

### **Breakfast Club**

**This is a reminder that Breakfast Club starts at 8am, please arrive for an 8am entry as that is when the gates are opened for all of the children for 5 minutes.** If for any reason you are running late, please can you buzz and wait to be let through the gate. Please do not accompany your child in to breakfast club. If you think your child may need assistance coming in please let us know when you buzz through.

### **Reminders for families**

#### **Year R gate**

We have had several reports that children were running around and throwing stones in the car park whilst waiting for the Year R gate to be opened. Please can we remind you that your children need to be supervised at all times.

Please click on the link to access our uniform policy. [Uniform | Bromstone Primary School \(bromstoneschool.com\)](https://www.bromstoneschool.com) If there are any issues at all with uniform or PE kit please feel free to contact our Family Liaison Office, Nichola Sturges.

**Please can you ensure that you are not smoking or vaping near the gates of our School. This is very unpleasant for other children, parents and members of the public.**
