

Bromstone Weekly Newsletter

Week Ending: 8th September, 2023

Welcome back to the new academic year!

We have been delighted to see the children coming in to school so excited and ready to start a brand new year this week. Everyone is looking smart and grown up moving in to their new year group. We are so proud of all of the children and we are very happy to welcome our new Year R children who have been having settling with sessions of two hours per day. We have lots of lovely events, activities and learning prepared for the start of this year and we look forward to sharing this with you via this weekly newsletter.

Well done to the year 6 children who took the Kent Test yesterday, the children showed great resilience in their first week back having to sit tests all day!

What a way to start the year....some of our children who go horse riding on a Wednesday afternoon appeared on ITV Meridian News last night! Bromstone were invited to the press launch welcoming their new horse Bertie, at Thanet Disabled Riding Centre, after they received £63,000 from The National Lottery, and The People's Project. A group of children from Bromstone represented us fantastically on the news and we could not be prouder of how they spoke to the news reporter. If you click on the link below it will take you to last night's news programme; the clip is at 20 minutes and 20 seconds in to the programme.
