Week Ending: 22nd September 2023

Today we have held our first ever Careers Fair! What a great day, with the children having talks and visits from professionals in different job roles. Our visitors were able to give the children a real-life insight in to their careers sharing experiences of their different roles; the children were fascinated! We were lucky enough to have mid-wives, an engineer, someone from the Navy, a police officer, an ICT technician and a motorbike speedway racer! Thank you to our volunteers today, the children have absolutely loved it.

Our Reception classes have finished their transition period and are now full time and are showing us that they are ready for school full time and are thriving in their new classes.

For home learning ideas please see your child's class page on our website.
