

This term our Big Question is

**“What makes our environment special?”**

### Headteachers' Achievement Tea Party

This week we held our first termly Headteachers' Achievement Tea Party! Each teacher chose two children from their class who have consistently shown the school values throughout this term! We had a wonderful time eating, drinking and celebrating the children and their consistent efforts. Well done to all of the children that attended, and congratulations on being the first children to attend!

### World Epilepsy Day

On Tuesday everyone was invited to wear purple to raise awareness for World Epilepsy Day. Thank you to everyone that joined in. The children enjoyed learning about epilepsy thanks to a PowerPoint presentation made by Leia, our Head Girl.

Grace, Isla, Ellis, Archie and Sylvan ended their terms horse-riding with a celebratory Easter Egg hunt at the stables after learning road safety, trotting and games on horseback. Well done all for your excellent riding this term!

### Marathon Fun at Bromstone!

On the first Friday back after the Easter holidays we will be supporting Mr Chambers in his quest to run The London Marathon on April 21st! The children are invited to wear sporting clothes, including trainers, and dress as their favourite sports person for this event. Each class will have an allocated time slot to run around the school field. The whole school will collectively run the distance of the marathon!

We will also be holding a cake sale on the same Friday to raise money to support Mr Chambers chosen charity which is the National Autistic Society.
