

Our new Big Question for this term is:

“What happens when there is conflict?”

Welcome to Term 5!

Today we are celebrating Mr Chambers running the London Marathon on Sunday! The children have taken part in a whole school event to see how far they can run to encourage Mr Chambers on his adventure this weekend. They have also made posters and banners showing their support for him! We will give you a full report next week about all of today's activities and an update on Mr Chambers' achievement.

Why is our environment special?

Last term's big question focused on the environment. At the end of term Year 5 delivered persuasive speeches calling for an end to plastic pollution at Bromstone.

Please click on the link below to have a look at the wonderful speeches that the children have written and delivered:

Year 2 trip news

The children loved our recent trip to the Powell Cotton Museum. We took part in 2 workshops, one focused on drawing and sketching through nature, using pencils and chalk to draw different objects including skulls, shells and a range of animals. The children loved looking at these from different perspectives, feeling and considering how they can create texture in their drawings.

We then moved onto the Museum safari workshop where we heard the tales of Percy Powell-Cotton and the journey that he embarked on. We learnt all about the team that worked for him as well as how his daughter, Diana, impacted his journey.

The children upheld all of the school values and represented the school very well!

Thanet Girls Cricket Academy

In conjunction with Kent Cricket and the ECB, Margate Cricket Club are running an 8-week programme providing **FREE** cricket training for girls aged 8-11 in the Thanet area, under the ECB Dynamos Cricket scheme.

The registration link is here: www.ecb.co.uk/play/dynamos-cricket
The scheme is aimed at promoting cricket to girls, hence the free coaching offer does not extend to boys in the area; furthermore, only 24 places are available on the programme, so it will be on a "first come, first served" basis.

Please also note that the programme is only for girls aged 8-11.

For more information, please contact Ed Foster using the contact details on the flyer.

DYNAMOS CRICKET
