

Our new Big Question for this term is:  
**“What happens when there is conflict?”**

**What a treat!** Year 4 had the best time at the Marlowe Theatre yesterday watching “Shrek” the musical. They had a wonderful time and thoroughly enjoyed the show and dancing along at the end!

Please be reminded that no nuts or nut-based products should be brought into school. We have children and adults with severe nut allergies.

Please refrain from smoking/ vaping near the school site, particularly when queuing with children. Thank you.

**Year 1's trip to Wingham Wildlife Park was a huge success.** The children had a wonderful time and showed the School Values in abundance.

Not only did the children get to see many amazing animals, they also loved the 'Circle of Life' talk in the Education Centre. The children asked lots of fantastic questions about the animal kingdom and they even got to hold some impressive carnivore specimens; including an Amazonian Bird Eating Spider, a Great White Shark tooth and a Nile Crocodile skin! Well done Year 1, you were amazing on our big day out!

## attendance MATTERS

Trouble seeing a doctor? Pharmacy First will enable community pharmacists to supply prescription-only medicines, including antibiotics and antivirals where clinically appropriate, to treat seven common health conditions without the need to visit a GP. Find more information here: [NHS England » Pharmacy First](#)

## Sports news!

Some children in Years 4 and 5 played in a football festival at Baypoint this week. The children had a great time showing of their brilliant football skills!

Years 1 and 2 footballers also played in a football festival winning 2 matches and losing 1. The children showed excellent attitudes and sportsmanship!
