

Our new Big Question for this term is:

“What happens when there is conflict?”

Our assemblies this week were all around our Big Question. Mr Horne spoke to Key Stage 2 and this morning, Mr Turner discussed with the children in Key Stage 1 how we can resolve conflict.

Kent Test Meeting

If your child is in Year 5, we are holding a Kent Test meeting for Year 5 families on Monday 20th May at 2.45pm in the hall.

**Meeting
Notice**

In Year 4 this week...

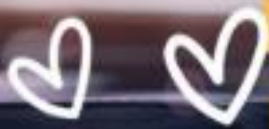

This term Year 4 have been learning about living things and their habitats. The children have been using classification keys and dichotomous charts to identify the plants and animals we have in our local area. Using their knowledge of classification, they have been making environmental guides. The children have thoroughly enjoyed exploring the school surroundings.

Please be reminded that no nuts or nut-based products should be brought into school. We have children and adults with severe nut allergies.

Please refrain from smoking/ vaping near the school site, particularly when queuing with children. Thank you.

we're here to
help and
support you

Local
Offer

**Special Educational Needs and Disabilities (SEND) Information,
Advice and Guidance Event for Thanet –
Early Years and Primary School Aged Children**

21st May 2024 10am – 12pm

Quarterdeck Family Hub, 15 Zion Place, Margate, CT9 1RP

Are you a parent and/or carer of a child aged between 0-11 years who you believe may require additional help? Are you looking for services in your area that can offer extra support for your child as they go through their education journey? Then we would like to invite you to our SEND Information, advice and guidance event for Thanet.

This event has been designed to enable you to learn about and speak with a wide variety of services that are available to both your child and you. It will also be a fantastic opportunity to meet other families with children that may have similar needs.

There will be some short presentations to introduce you to the services in attendance and let you know what help and support they can offer your family. After this you will then be invited to visit the services at their stalls, where you can ask questions and find out further information.

We have limited places available so if you would like to attend this event please contact sendroadshows@kent.gov.uk as soon as possible to book your spot. In your email, please let us know whether you have any accessibility requirements. We will send you a pre information pack with details of who will be in attendance on the day along with any useful information a week before the event. You will also receive a post event pack with any helpful links from the day. If you are unable to attend but would like to receive the information packs please email us and we will be sure to add you to the mailing list.
