

Our new Big Question for this term is:

“What happens when there is conflict?”

Sports Day

- Saxon = blue t-shirt

Years R & 1 came home with a sticker this week informing you of what house team they are in.

Coding Corner!

Celebrating Computing at Bromstone

To help showcase all the brilliant coding projects children are doing, we are introducing a 'Code Corner' for the newsletter each term. This term we are celebrating the progression in database building from Year 3 & Year 5.

Please be reminded that no nuts or nut-based products should be brought into school. We have children and adults with severe nut allergies.

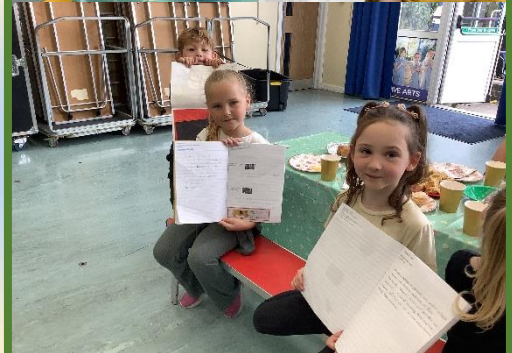

Please refrain from smoking/vaping near the school site, particularly when queuing with children.

Thank you.

Headteacher's Tea Party

Children across the school that have shown the values for the whole of term 5 were invited to The Headteacher's Achievement Tea Party. Well done to all of the children who were selected!

Year 6 WW2 trip

The children met lots of characters from WW2 - they were evacuated, learned how to RAF did their navigation, the importance of the dig for victory campaign and made rag rugs.

Year R's trip

All of the children had an amazing time at Under One Roof! It looks like learning about 'how we solve our conflicts' this term really paid off. They all knew exactly how to behave and how to solve little disagreements, but most of the time they knew how to avoid conflicts even in such a busy environment like Under One Roof!

Fun in Windsor

In Windsor we have planted our own beanstalks! They are growing well and the children are enjoying looking after them.

Art

The art leaders visited St Mildred's this week. They worked with the art leaders there to produce some beautiful flower paintings. They showed great team work and supported the St Mildred's children well.
