

Our Big Question for this term is:

“Is it better to adapt or stay the same?”

This week the children have enjoyed Arts Week!

The children were invited to be band members, be part of a drumming workshop, entered an art competition and Year 4 went to The Turner Centre. The children have also created art work in Forest School, listened to different music genres each morning and this afternoon the whole school took part in an ART CONGA!

Last Friday we enjoyed a choir performance on the playground. Our choir performed with children from two other TELT schools – St Mildred’s and Garlinge. It was a lovely performance and the Year R children were a very impressed audience.

Don't forget...

Parents' evening next week!

Year 5 Royal Shakespeare Company collaboration

Our budding actors took to the stage on Monday evening at The Marlowe Theatre delivering their scene from “Hamlet: Something Rotten”. The children were delighted with their performances and we are all so proud of them!
