

Our Big Question for this term is:

“Is it better to adapt or stay the same?”

Year 4 Beach trip

Year 4 went to Viking Bay on Tuesday as part of our exploration of old and new Broadstairs. Despite the damp weather, the children enjoyed a safety talk delivered by the local Life Guard. They heard about the importance of sun safety, how to swim safely in the sea and what to do if they get into trouble in the water. The children loved building sandcastles and playing on the sands whilst also being shown local landmarks and buildings linked to Charles Dickens.

Thanet Disabled Riding Centre

On Wednesday 3rd July, 13 children competed in the annual Gymkhana at Thanet Disabled Riding Centre. They took part in a variety of challenges and sequences on horseback and showed off to the judge all of the things they have learnt over the year. Well done to Seth, Grace, Archie, Rhiannon, Isla, Alana, Edward, George, Lily T, Lily H, Parker, Adam and Elliott.

We are all so proud of you!

Transition

We have had a busy week of transition; our new Year R children came in for their first Stay and Play session on Monday, our Year 6 children successfully completed their transition day in their new secondary school, and all of the other children in the school moved to their new classrooms and spent the morning with their new teachers. As well as welcoming our new Year R children we also welcomed 3 new members of staff: Miss Parker, Miss Cooper and Ms Jackson. The children had a great time becoming familiar with their new surrounding and new adults!

Bromstone's Mock Election!

Last week, Tatton Spiller from Simple Politics, came and delivered an 'election' assembly to Key Stage 2. He explained about democracy and summarised the main Political Parties' pledges.

Yesterday, on General Election day, each child in Key Stage 2 chose their Party and cast their own vote using ballot paper and ballot boxes.

We counted the votes, and Bromstone's election results were as follows:

Liberal Democrats – 82 votes
 Labour – 47 votes
 Green – 32 votes
 Conservative – 15 votes
 Reform – 7 votes

READY, SET, READ!

Produced by The Reading Agency and delivered in partnership with libraries, the Summer Reading Challenge encourages children to keep reading during the school summer holidays – and to enjoy reading anything they like. Children aged 4-11 are invited to set a reading goal and collect rewards for their reading. It's completely FREE to take part.

How it works:

- Children sign up through their local library and receive a collector's poster.
- They borrow and read books of their choice during the summer, collecting special stickers and incentives along the way.
- Library staff and volunteers help children to discover new books that suit their interests and reading level and run a programme of free themed activities in the library.
- Children who complete the Challenge are presented with a certificate and medal (while stocks last).
- Children can take part online, too!

www.summerreadingchallenge.org.uk

The Challenge launches on Sat 6 July in Kent libraries and finishes on Sat 7 September.

Head to your local library this summer and sign up!
