

Our Big Question for this term is:

**“Is it better to adapt or stay the same?”**

### Year 3 Dover Castle trip

This week, Year 3 visited Dover castle as part of their enrichment calendar. The children had a great day in the sunshine and enjoyed exploring the castle and grounds. They behaved brilliantly and impressed us with all the (very hilly) walking they did!

### Year 2 Quex Farm trip

As part of our experience trip, Year 2 visited Quex adventure farm park where they were able to experience what it would be like to care for the animals on their site. The children learnt all about the animals, feeding them and even got a trip around the site on their tractor. We finished the day with mini golf! The children were amazing.

### Maths Challenge!

This week, 4 children from Year 5 took part in a series of maths challenges at Chatham and Clarendon. The children were put into groups to compete amongst other schools. Well done to Emel, Aurora, Hollie and Alex for taking part.

## Bromstone's Beach

Next Friday, on our last Freedom Friday of the school year, we will be opening our very own beach. The school lunch that day will be fish and chips, with ice creams available too. Let's hope the sun shines!

### Prizes so far include...

- Lillyputt Mini Golf
- £10 gift voucher to spend at Nando's
- Revolution skate park voucher
- Under 1 Roof family voucher

Tickets can be bought at the school gates during morning drop off and afternoon pick up, Monday to Thursday, next week.

We are holding a Super Summer Raffle next week to raise funds for OPAL playtimes. Tickets will be £1 a strip.

The Summer Reading Challenge encourages children to keep reading during the school summer holidays – and to enjoy reading anything they like. Children aged 4-11 are invited to set a reading goal and collect rewards for their reading. It's completely FREE to take part. How it works:

- Children sign up through their local library and receive a collector's poster.
- They borrow and read books of their choice during the summer, collecting special stickers and incentives along the way.
- Library staff and volunteers help children to discover new books that suit their interests and reading level and run a programme of free themed activities in the library.
- Children who complete the Challenge are presented with a certificate and medal (while stocks last).
- Children can take part online, too!

[www.summerreadingchallenge.org.uk](http://www.summerreadingchallenge.org.uk)

The Challenge launches on Sat 6 July in Kent libraries & finishes on Sat 7 September. Head to your local library this summer and sign up!
