

## Year 6

As the school year draws to a close, we want to extend best wishes to our wonderful Year 6 children as they prepare to embark on an exciting new chapter in their schooling journey. Over the last few weeks they have enjoyed performing their leavers' play, visited Buggy's Bowling, Parkside's Forest School and Elev8! It has been a joy and privilege to watch them grow, learn, and flourish during their time with us. Their hard work, resilience, and enthusiasm have made a lasting impact on our school community. As they move on to new adventures and challenges, we are confident that they will continue to shine and achieve great things. We wish them all the very best for the future and encourage them to embrace every opportunity with the same spirit and determination they have shown here.

Congratulations, goodbye and good luck, Year 6!

## A very big goodbye...

After a decade of dedicated service at Bromstone Primary School, Mr Turner has decided to take a career break. Throughout his time with us, he has been a source of inspiration for both students and staff. Recently, Mr Turner won the East Kent NEU's 'Most Inspiring Educator' award, a testament to his exceptional contributions. His passion for championing reading and phonics has led to significant improvements in these areas across the school. While we will miss him dearly, we wish him every success and happiness for the future.

### Girls' Football

On Monday the girls' football team took part in a tournament. They played so well, slightly missing out on the final. Well done girls!

Last week we were treated to Bromstone's Got Talent. We were amazed by all the incredible talent; from dancing and singing to magic tricks! Our very well-deserved winner was Ken from Year 6 who blew us away with his saxophone skills, playing 'Someone You Loved' and all without music in front of him!

## Bromstone's Beach

Today we opened Bromstone's Beach! Each class enjoyed some time 'at the beach' and had an ice cream too!

Yesterday, some children from The Keep went on a trip to Quex Farm. They enjoyed seeing the animals and had a great day in the sunshine!

The Summer Reading Challenge encourages children to keep reading during the school summer holidays – and to enjoy reading anything they like. Children aged 4-11 are invited to set a reading goal and collect rewards for their reading. It's completely FREE to take part. How it works:

- Children sign up through their local library and receive a collector's poster.
- They borrow and read books of their choice during the summer, collecting special stickers and incentives along the way.
- Library staff and volunteers help children to discover new books that suit their interests and reading level and run a programme of free themed activities in the library.
- Children who complete the Challenge are presented with a certificate and medal (while stocks last).
- Children can take part online, too!

The Challenge launches on Sat 6 July in Kent libraries & finishes on Sat 7 September. Head to your local library this summer and sign up!
